

Neighbourhood Watch Update

Rural crime continues to be a concern to the Parish Council. On this theme Councillor Mrs Judy Goodman continues to co-ordinate the Neighbourhood Watch schemes within the Parish. An effective Neighbourhood Watch scheme is one of a number of deterrents and the intention is to try and join up the schemes so that the whole parish is covered.

Over the past few months local Neighbourhood watch teams have been looking at the best way to become much more efficient, effective and more available to local residence.

Ombersley and Doverdale sit in between the Stourport Team and the Droitwich and Rural areas team so we are fortunate to be able to link into both groups.

Following the last few meetings of the Droitwich and Rural areas Neighbourhood Watch Team it has been decided following on the success of the Stourport Team and in conjunction with West Mercia Police to set up a face book page which can be accessed by opening the attached link. (A face book account is not required)

<https://www.facebook.com/Droitwich-Spa-Neighbourhood-Watch-869388073165086/>

In order to finalise the links if a coordinator for Doverdale, Lineholt and Haye Lane could be found then we have the whole of the Parish covered. If you wish to volunteer as a co-ordinator or, indeed, have any feedback, please contact Judy. Her contact details are:-
judy.goodman@btinternet.com or alternatively you can telephone her on 01905 620682.
